

Dear Parents,

We hope this letter finds you well. We are writing to inform you of an upcoming adjustment to our fees, which will take effect from 1st April 2025. We want to be completely transparent about the reasons for this change and reassure you that we remain committed to providing the highest quality of care and experiences for your children.

As you may be aware, from April 2025, there will be a government-mandated increase in National Insurance contributions for businesses, alongside a rise in staffing wages. Our dedicated team is at the heart of everything we do, and ensuring that they are fairly compensated for their hard work and commitment is a priority for us. These changes mean that our operating costs will significantly increase, and while we have explored every possible avenue to absorb these costs, we must now make a small adjustment to our fees to continue delivering the high standards of care and support that your children deserve.

We appreciate that any increase in fees can be a concern for families, and we want to assure you that we have carefully considered the impact on our community. Our goal is always to maintain affordability whilst providing a quality of care for all our families and children.

We greatly appreciate your ongoing support and understanding. If you have any questions or would like to discuss this further, please do not hesitate to contact us.

Thank you for being a valued part of Funtasia.

## PRICE LIST
